

PARKING POLICY

Within the Induction Pack, there is a statement stating that parents/carers must not bring their vehicles on to school grounds.

This is accompanied by a letter, which requires the signature of all new parents to indicate that they understand this rule.

To date, these measures have been sufficient.

Should further action be required, the following steps will be taken:

- Verbal reminder to specific parents/carers
- Warning that their child will not be permitted to attend Jellytots if the rules are not adhered to.

Policy Re-adopted 9th October 2024 – R Cockbill Chairperson
